## PROFILE

I am a skilled and creative Frontend Web Developer with a strong focus on React, specializing in crafting exceptional user experiences. Proficient in HTML, CSS, JavaScript, and React.js, I bring a keen eye for design and a deep understanding of web development principles. I excel at creating responsive websites that work seamlessly across various platforms and devices. Collaborative by nature, I thrive on translating client requirements into engaging digital solutions using the power of React.

---

## WORK EXPERIENCE

### Frontend Web developer

Univelcity                                    March 2023 - Present
